

include/Arcade/Graph  
/IDisplayModule.hpp

```
graph BT; A[include/Api.hpp] --> B[include/Arcade/Graph/IDisplayModule.hpp];
```

A diagram illustrating an include dependency. A white box at the bottom contains the text 'include/Api.hpp'. A blue arrow points vertically upwards from this box to a gray box at the top. The gray box contains the text 'include/Arcade/Graph' on the first line and '/IDisplayModule.hpp' on the second line.

include/Api.hpp
